VA nurses care for America's heroes!

Benefitting VA nurses and the veterans they serve.

The NOVA Foundation is dedicated to the advancement of VA nursing and the promotion of quality health care for veterans. Through our VA nursing scholarships and nursing research grants, we support education and scientific inquiry to enhance outstanding care to America's veterans.

The NOVA Foundation has provided scholarships to dedicated VA nurses from baccalaureate through doctoral programs. The NOVA Foundation has also supported projects related to post traumatic disorder (PTSD), women's health, polytrauma including blast injuries, suicide and burns.

The NOVA Foundation depends entirely on the generosity of corporations and individuals grateful to our veterans and the nurses who care for them to fund its VA nursing scholarships, research grants and other programs. The NOVA Foundation is a 501(c)(3) non-profit organization. Donations are tax deductible to the extent allowed by law.

Join us and show your support for America's VA nurses and the veterans they serve.
