

*Dear NOVA Members:*

*Joint Commission Resources (JCR) is pleased to provide NOVA members with an exclusive discount to help support your certification goals.*

*Our professional certification program, Certified Joint Commission Professional, **CJCP**<sup>®</sup>, is the only professional certification program endorsed by The Joint Commission. As a CJCP, individuals demonstrate that they possess the highest level of knowledge in hospital accreditation compliance, survey readiness, performance improvement, and more. Since the launch of CJCP<sup>®</sup> in 2013, we have received significant interest and applications. Our CJCP cadre continues to grow and we hope to see NOVA members join our cadre!*

*See below for more information about this exclusive NOVA offer.*

## What can you expect on the CJCP exam?

The **CJCP** examination is 150 multiple-choice questions provided electronically through computer-based testing sites. Candidates have three hours to take the examination at testing site facilities. Most testing site facilities are at H&R Block facilities, with numerous locations throughout the United States. CJCP exams are offered quarterly: January, April, July, and October. The content of the exam is composed of seven content areas including: Understanding The Joint Commission's Accreditation Process, Joint Commission Hospital Accreditation Standards, Medical Staff Standards, Environment of Care, Leadership Skills, Ongoing Performance Improvement, and Patient Safety.
